The screenshot shows a web application interface for AI-assisted content creation. At the top left, there is a blue icon of a bar chart with an upward arrow. Below it, the word "Untitled" is displayed in a large, bold, black font. A search bar contains the text "Ask AI to write anything or select one of the options below..." with a green circular icon on the right. Below the search bar, the text "DRAFT WITH AI" is visible. A list of five options is shown, each with a document icon: "Create a document...", "Write an onboarding guide for...", "Create an SOP for...", "Brainstorm a new process for...", and "Write an overview of...". At the bottom of the interface, there are two buttons: "Cancel" with an 'X' icon and "Done" with a checkmark icon.

Netříštíte návody po složkách a dokumentech na úložišti, v chatovacích vláknech nebo e-mailech. Vše máte na jednom místě.
